Scarves: 30x30 Only!

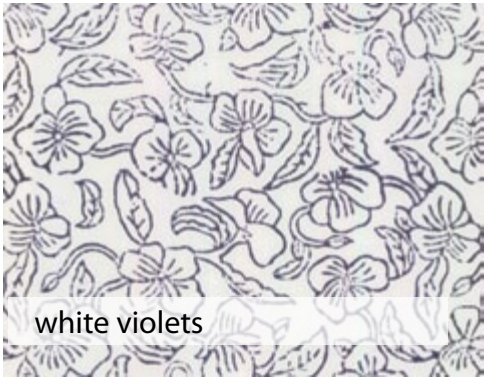

Because it takes the craftspeople at Anokhi months to print each of our collections, we order enough that we expect our scarves to be around for a while. But when a print sells out it is gone for good. The prints in this section are now ONLY available in 30x30 squares. But there is more online! Check out our website to see over 200 prints plus lots of solid colors and up-to-date availability information.
